In collaboration with government and industry partners, we’re working hard to establish the Pavilion as America’s headquarters at EXPONOR 2017: a destination for buyers looking for an efficient way to meet more U.S. suppliers, an on-site business hub for U.S. exhibitors looking to maximize their exposure and time at the event, and a forum for all to share ideas and insights.

Regardless of your specific business focus, “Pregunta a Estados Unidos” for the equipment, products and services you need to gain a competitive edge in any market sector, anywhere in the world. Our strengths are your advantage, and we are listening to you. The United States is committed to developing strong international trade partnerships and investments, we bring smart ideas to the table and we have the best-trained professionals ready to do the work.

[Click here](#) to see our growing list of EXPONOR 2017 exhibitors — and let us know if you are interested in exhibiting with us!

Check back often to keep track of our progress as the show nears. Of course, feel free to contact us any time with questions or ideas about how to strengthen America’s connections to mining operations in Antofagasta or throughout South and Central America.

Whether you’re planning to attend as a supplier or a buyer, we look forward to hosting you in the USA Partnership Pavilion at EXPONOR 2017.
