

EXPONOR CHILE 2026

INNOVATIVE
SOLUTIONS
**FOR SUSTAINABLE
INDUSTRIES**

JUNE 8-11 2026
ANTOFAGASTA, CHILE

WWW.EXPONOR.CL

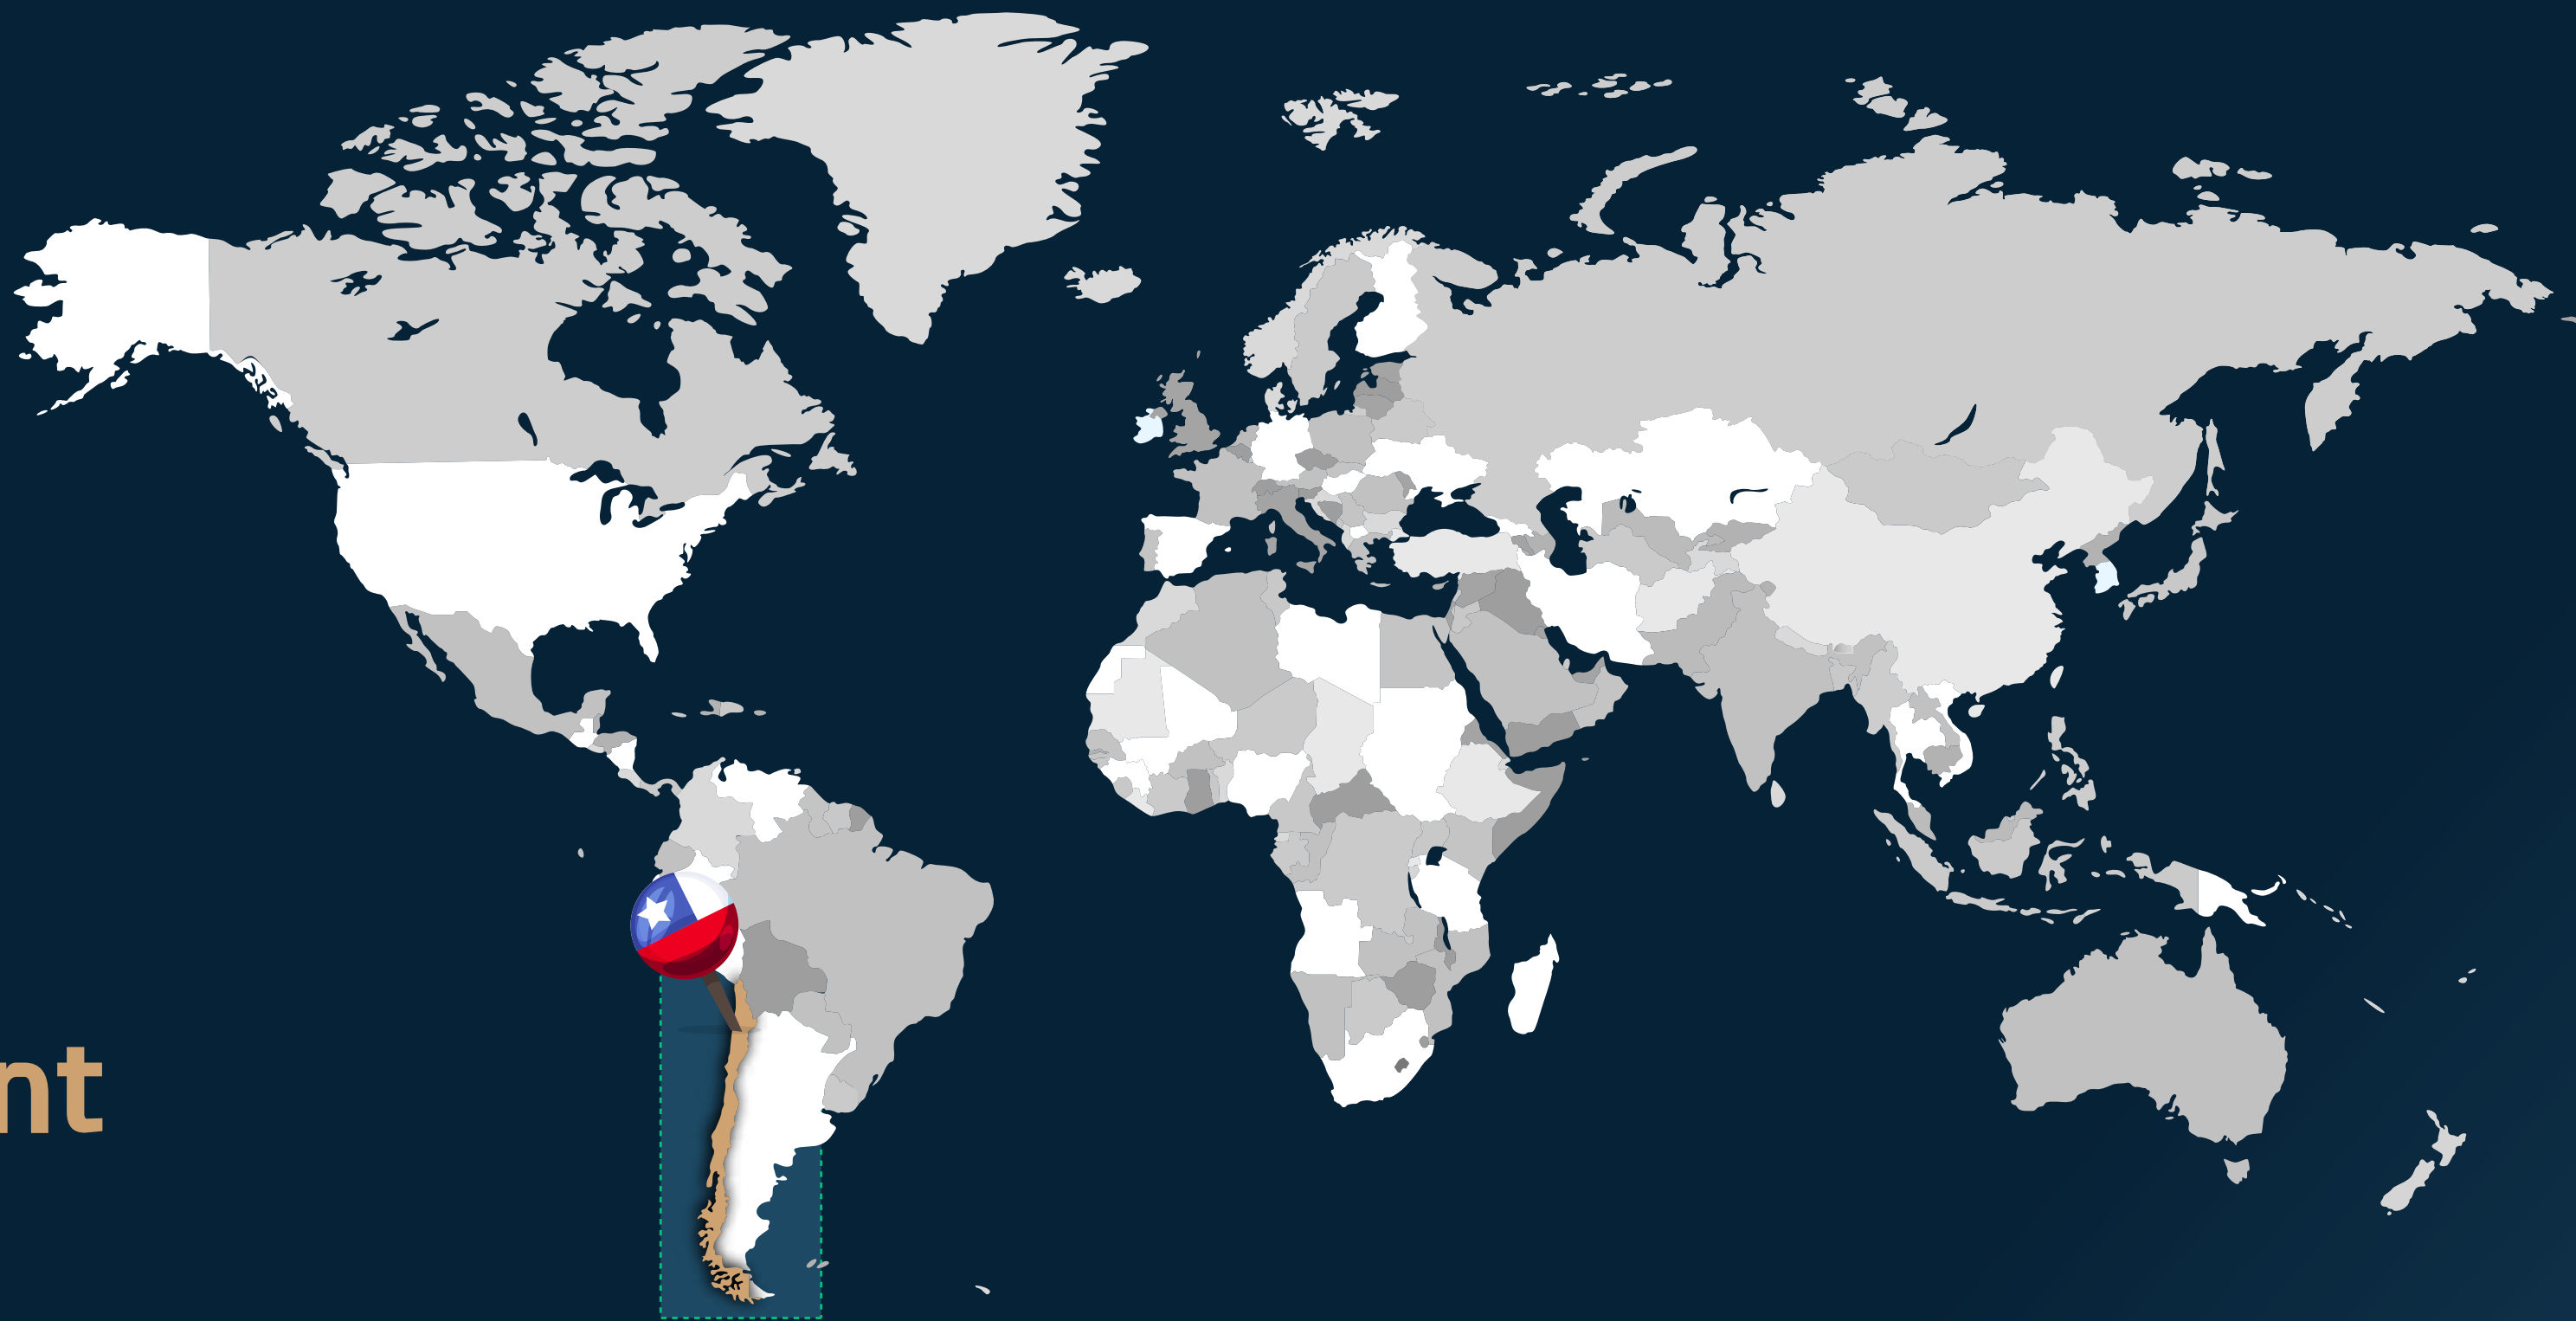

CHILE

A LEADING
MINING
COUNTRY

USD 83.181
billion in investment

51 projects (2024 – 2033)

2023 **WORLD
RANKING**

No.1

COPPER

5.251 million MT
24% global production

No.1

IODINE

270,947 MT
27% global production

No.2

LITHIUM

19,000 MT
58% global production

No.2

MOLYBDENUM

44,118 MT
17% global production

Source: Consejo Minero - COCHILCO

¿WHY CHOOSE THE ANTOFAGASTA REGION?

A Global Mining and Energy Hub

 **38%** of mining investment in the Antofagasta Region (20 projects)

Equivalent to: **USD 31.317 billion** in investment

Source: Investment in Chilean mining. Projects Portfolio 2024-2033, COCHILCO, 2024.

MAIN MINING COMPANIES PRESENT

54%
of Chile's total copper production

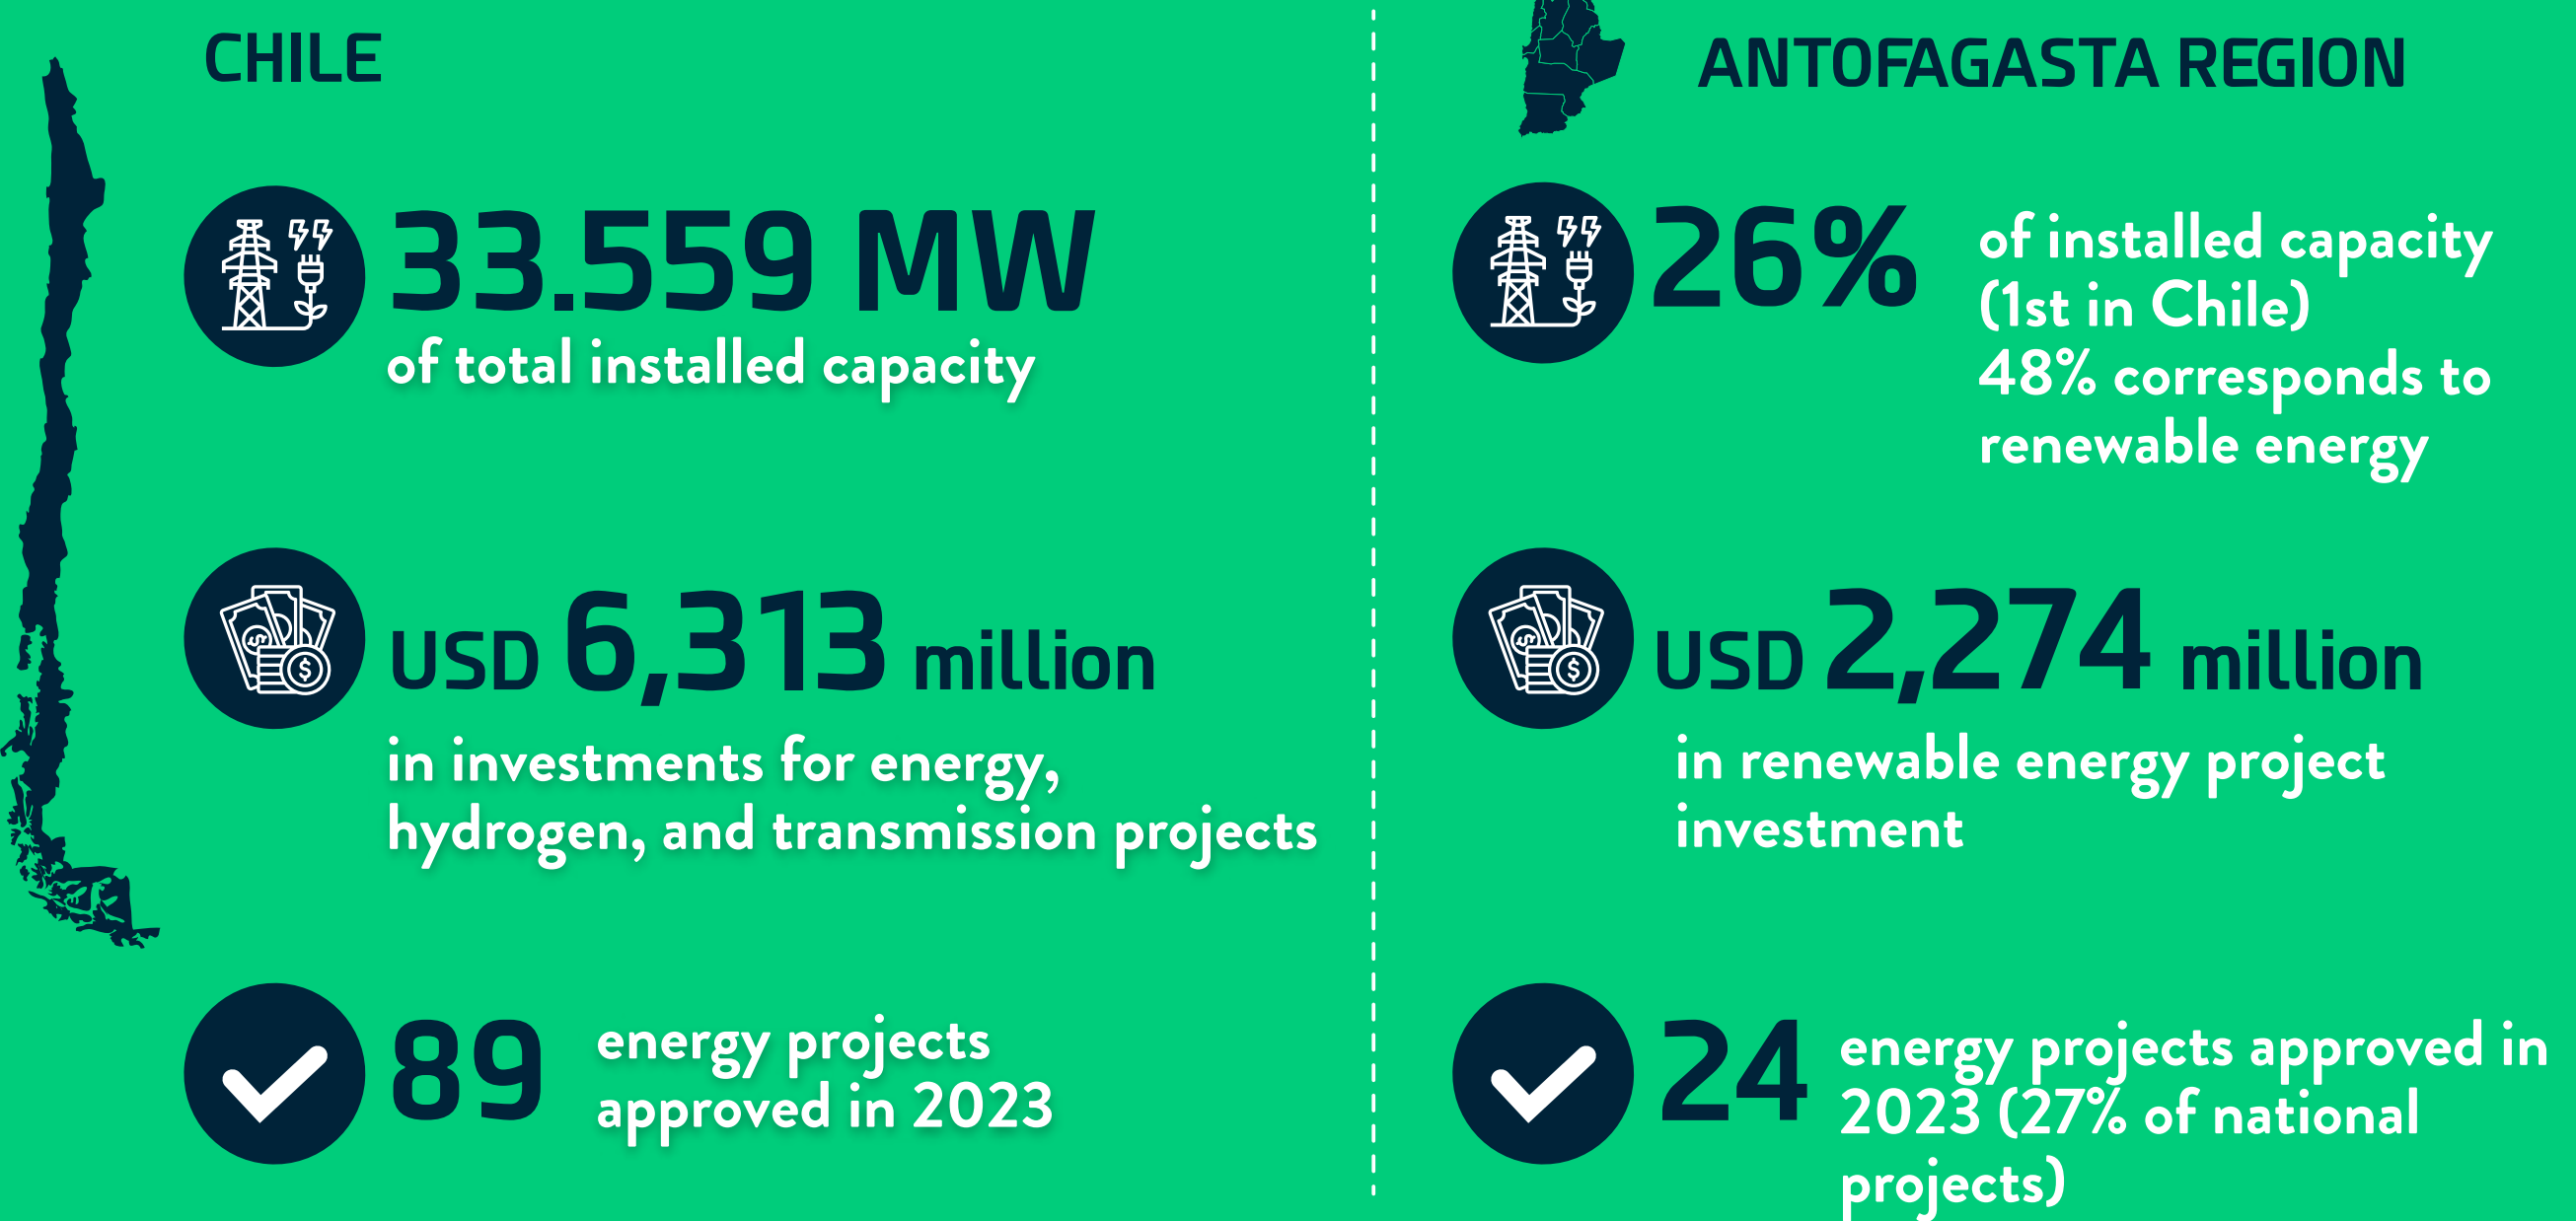

100%
of the country's lithium production

52.6%
of the regional GDP corresponds to mining

65%
of direct and indirect employment in the region

ANTOFAGASTA: TRANSFORMING THE FUTURE OF ENERGY AND ITS GREEN HYDROGEN POTENTIAL

Energy

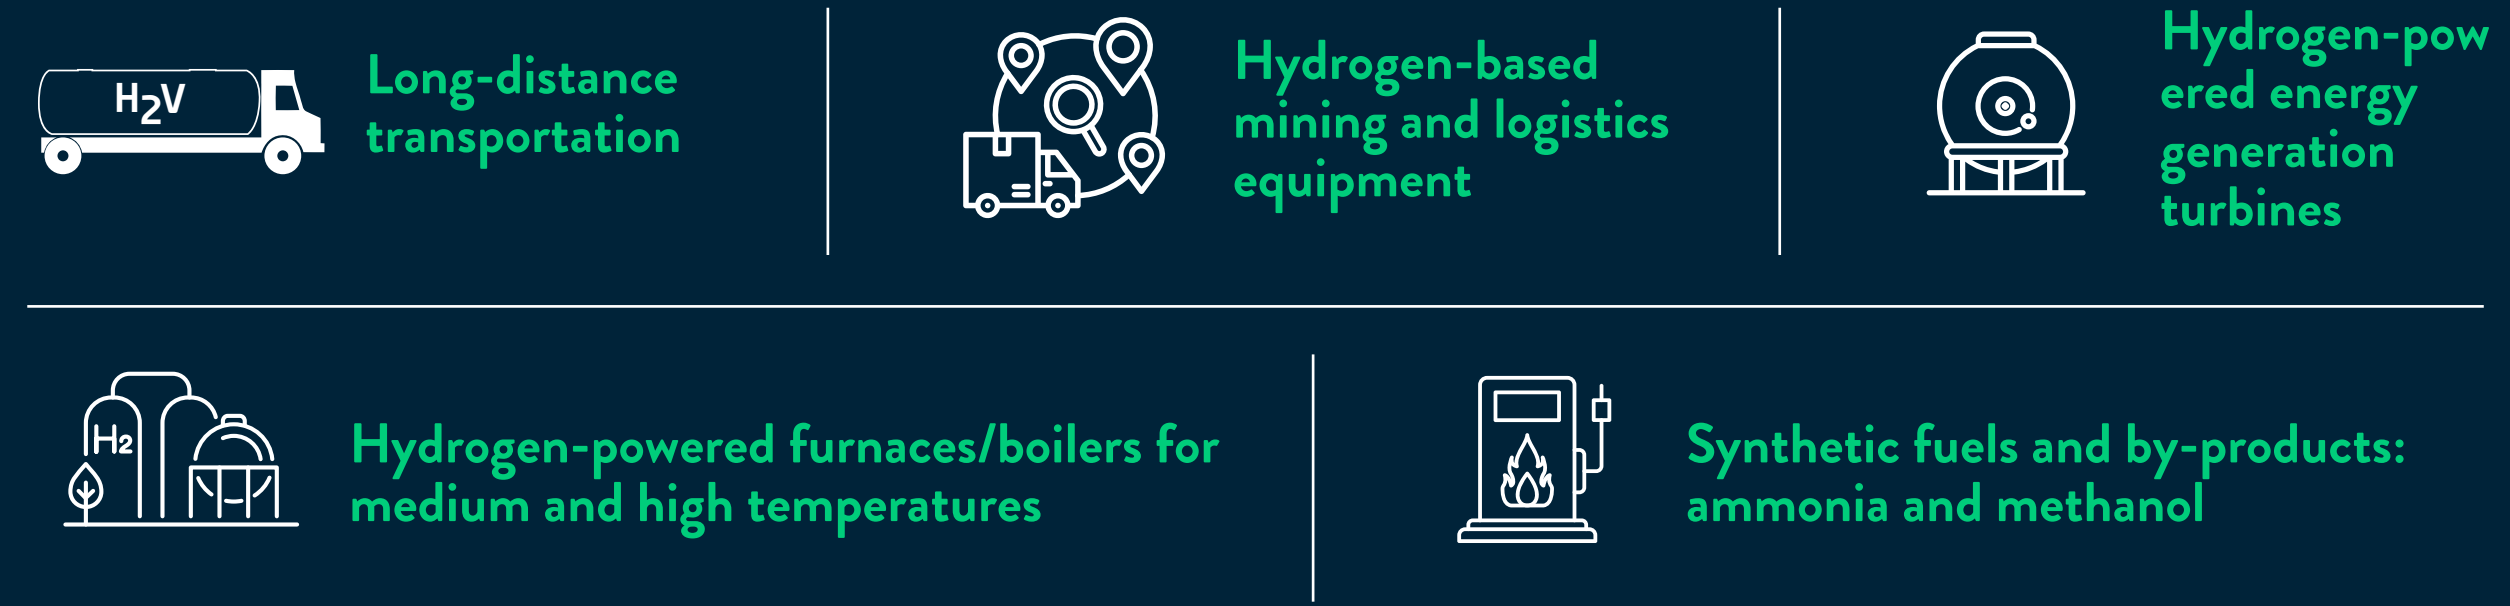

Green hydrogen

Antofagasta, a region renowned for its renewable energy potential, leads Chile's green hydrogen project portfolio with 24 initiatives, accounting for 41% of the country's total projects.

Source: H2 Chile.

Opportunities in the use of H₂V:

INNOVATION THROUGH DESALINATION

Driving Sustainability in Industry

CHILE

23,3 m³/s

Expected seawater
consumption by 2031

22 desalination
plants

operate in Chile's mining
and industrial sectors

ANTOFAGASTA REGION

6,4 m³/s
plant capacity for mining/industry

13
desalination
plants
58% of national total

Sources: Projection of Water Consumption in Copper Mining 2020-2031, COCHILCO 2024.
National Survey of Desalination Plants and Projects, Consejo Minero and ACADES 2023.

MAJOR PROJECTS IN PROGRESS:

Northern District
Desalination Plant –
CODELCO

Northern Antofagasta Desalination
Plant / Tocopilla Desalination Plant –
Agua Antofagasta

INDUSTRY CHALLENGES WHERE YOUR COMPANY CAN CONTRIBUTE

YOUR PARTICIPATION STARTS HERE

EXPONOR

EMPOWER YOUR BUSINESS WITH NEW OPPORTUNITIES

Business connections, networking & opportunities

EXHIBITION:

Display your brand at the world's leading mining-energy event and receive visits from technical delegations at your stand: technicians, operators, professionals, and industry users.

BUSINESS ROUNDTABLE:

Engage in business roundtables with top industry executives.

SITE VISITS:

Explore key mining projects, their development, and operational challenges.

Seminars:

Gain strategic insights on industry challenges, investments, and projects from public authorities and industry leaders.

Technical Presentations:

Showcase your company's latest innovations to potential clients.

Networking After Office:

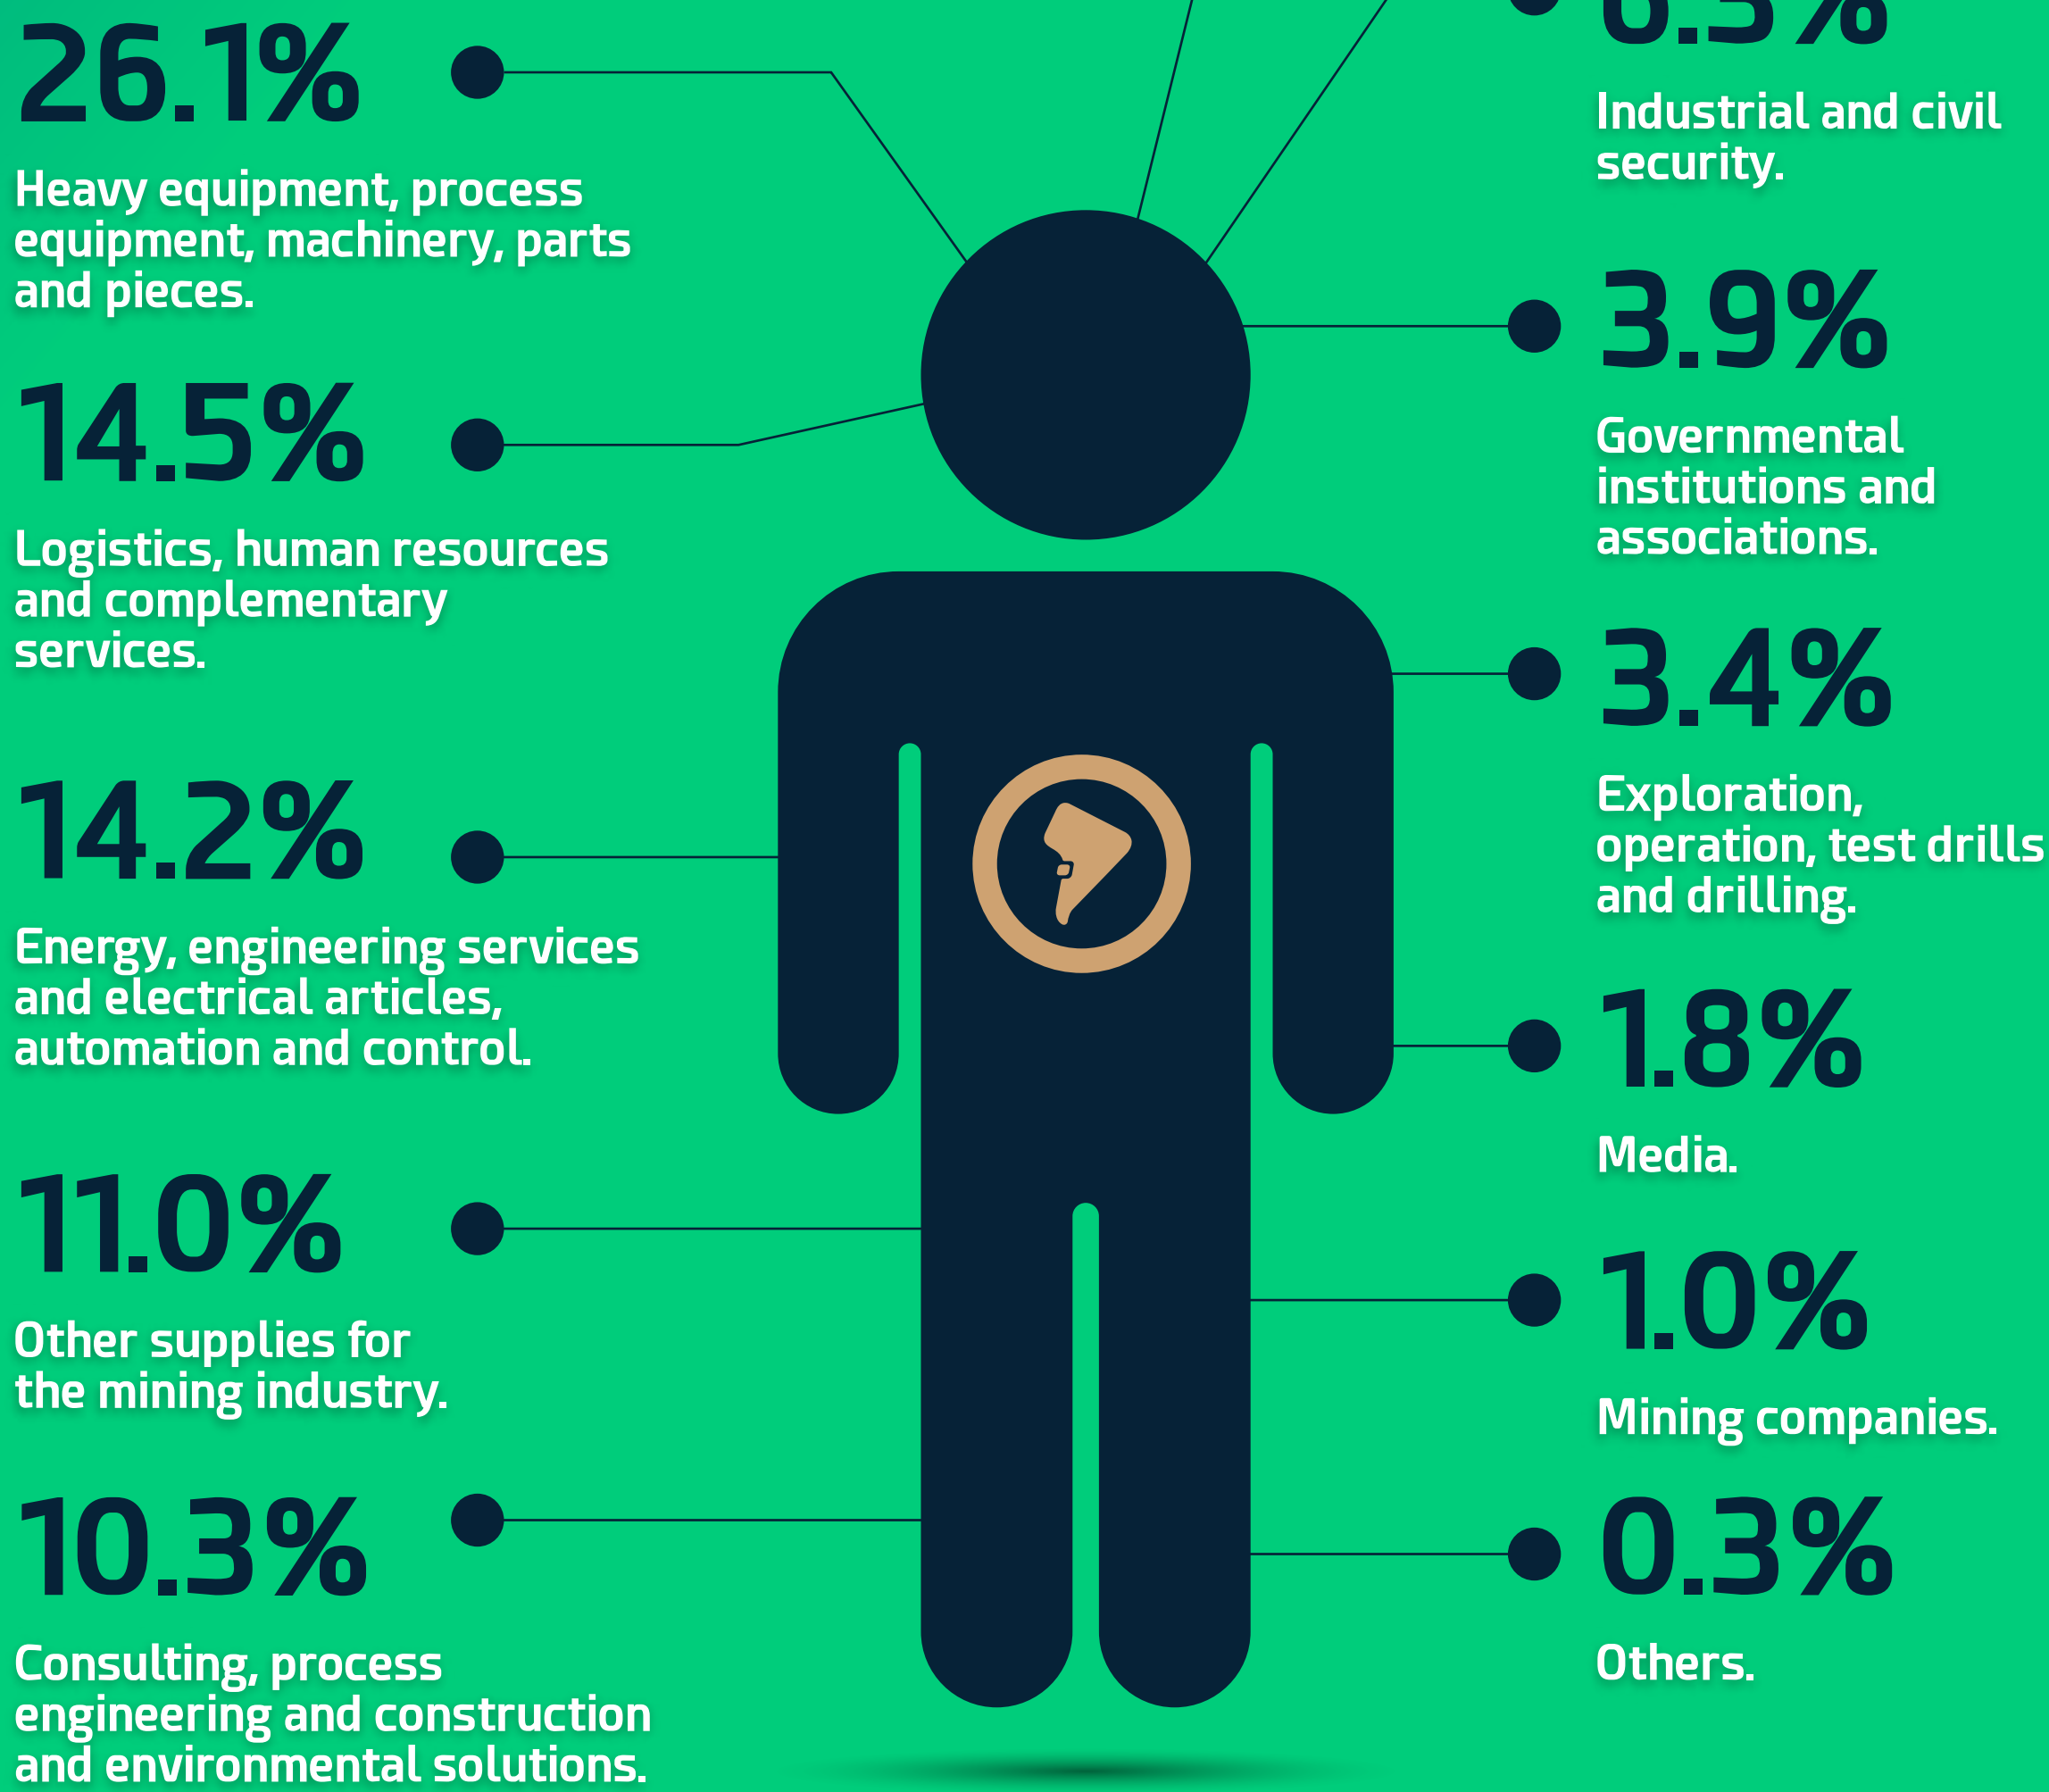

Connect with key procurement and contracts managers from major mining companies.

Showcase Your Innovation:

Your technology will be featured on our website and shared with strategic industry contacts.
